Civ. Act. No. 06-421-JJF

Christopher Davis v Richard Kearney, warden

RE: Reply to Defense motion for extension of time

To the court:

Today I am in receipt of the Deputy Attorney General's request for extension of time.

Although I have empathy for counsel's case load, I must object to another month's extension. Counsel has had more than enough time to provide the court with the information it has requested.

A Federal habeas relief motion by all means should be given priority and addressed in a short period of time. It is nice to hear that the Attorney General's Office had a two day retreat last week but those were two more days I spent in Jail awaiting their reply. Another month seems unreasonable to me.

Thank You
